

# Tree Planting – Clean Nova Scotia and RBC – Discover Your Watershed

Posted on [October 24, 2012](#)

Thank you to all who participated in the Discover Your Watershed Program held Saturday October 20th! All who attended enjoyed planting trees in Walkers Pit at the Sackville River. All in all, about 300 red spruce and white pine seedlings were planted, along with red maple, white and yellow birch, ash, and oak saplings.
